

PAKISTAN: WE DEMAND THE RELEASE OF THE 600 FREE-THINKERS ARRESTED IN A DEMONSTRATION AGAINST RELIGIOUS FANATICISM!

We have just learned through messages from the companions of Pakistan and from the AIT-IWA's Australian (ASF), that the police in the Sindh region of Pakistan have arrested 600 free-thinkers and workers, who were demonstrating against Islamic religious extremism. This demonstration, which was nevertheless legal, was aimed at protesting the assassination by Islamist fanatics of a doctor in Karachi accused of blasphemy.

Among those arrested are our comrades from the Workers Solidarity Federation (WSF), the Pakistan section of the International Workingmen's Association: William SADIQ, veteran of the Pakistan anarchist movement, Naasir Mansoor, Jami Chandio, feminist activist Sindhu Nawaz Ghanghro, Ms. Zahra Khan.

WSF Karachi has attracted the ire of 'zombie Islamists' for their protests against the murder of Mahsa Amini by the Iranian religious police in 2022 (<https://cnt-ait.info/2022/10/08/mahsa-wsf-ait>) and for its public demonstrations in Karachi in support of transgender rights last year (<https://cnt-ait.info/2023/01/28/pakistan-transgender>).

Now the Peoples Party government of Sindh province have ordered the Karachi Police to suppress the protests against the murderous religious extremists.

The fight against religious fanaticism knows no boundaries.

Freedom for William Sadiq, Naasir Mansoor, Jami Chandio, Sindhu Nawaz Ghanghro, Madam Zahra Khan!

Freedom for the free thinkers of Pakistan and everywhere!
